Dear members of the Class of 2004,

I don't suppose any of you remember, at least as keenly as I do,my speaking to you all in Admiral's Hall four years ago at the start of your first semester.

You listened to much of my advice that day, most of which you took and acted upon but I am not sure that you fully understood when I assured you the four years ahead would go by like a dream and that during graduation week 2004 you would wonder in amazement asking where the time had gone.

On Saturday, you will graduate and take your leave of the Academy and your classmates. You leave a nice record behind. Your fine showing in the USCG Exams was a near record of success done in the same manner and spirit in which you received the T/S Enterprise, went to work and made her your own. Those among you are in the frontline of International Maritime Business majors to graduate I am confident that you will carve out a significant niche in that industry for yourselves and those who will follow on behind you. That is the way of the Academy and the Regiment. You will always remain a member of the Band of Brothers and Sisters. I wish you all long lives filled with good health, prosperity, and contentment.

Fondest regards,
Admiral M.J.Bresnahan

TAP SHEET- A form that is filled out when a cadet commits a violation of the Regimental Manual or Academy Regulations.

DEMOS (DEMERITS)- What you get if you are found guilted at mast.

COASTIES- The USCG examination that license candidates take in May of their senior year.

CIC (CADET INFORMATION CENTER)- An office that is maintained by cadets after business hours so that parents, visitors, other cadets, etc. can obtain information.

MESS DECK- The dining facility on campus and on the Training Ship.

RACK- A cadets bed, covered with the MMA blanket otherwise known as a "blue magnet" as it is renowned for drawing cadets in for long naps.

RACK MONSTER- A cadet who sleeps a lot.

"DROP"- A command that means to get down and do push-ups.

CRUISE- The annual Sea-Terms.

PIPE- An Announcement made over the public address system.

ON BINNACLE- A cadet is put on the "Binnacle List", at the nurse's office when they are too ill to perform the daily routine. This terminology dates back to the age of sail when ill sailors' names were put on the compass housing (binnacle).

OHH BABY...

Matt Beechinor

Matt, you were the most beautiful baby I ever saw born, I almost passed out. You were always so strong and you earned the nickname "Truck". You turned this pool over when it was almost half full. As a junior at Andover High you were the starting fullback and lead blocker. You devastated the opposition. Students would cry out "Beechinor yeah" for each crunching block. I only wish my dad could have seen some of those games. Stay beautiful! Stay strong! Stay close!
Love, Dad

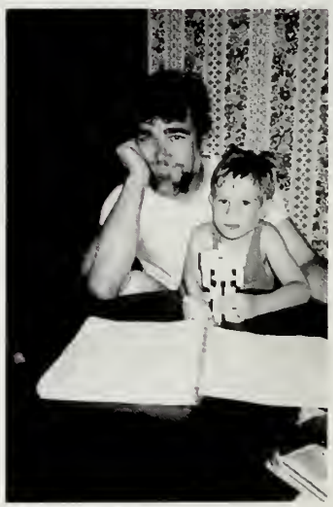
Kedrick Swain

Dear Kedrick, Where have these four years gone? At the beginning of all this, you had a choice to make. You took a chance and made it happen, you made it fit. In my eyes it's a thoroughly impressive accomplishment.
How much more difficult it became with your fathers death. The loss of a parent is never easy no matter how old you are. You have dealt magnificently with all the rough water that has come your way. I am so proud of you and love you so very much.
Your entire family is looking forward to your graduation. We can't wait to be there with you.
Love, Mom

Dear Kedrick, Congratulations on this milestone, your graduation from Mass Maritime Academy. Check in regulary (Hi, Im fine will do). We couldn't be more proud or love you more.
Love, Gran & Gramps

To my big brother:
You always endured my tagging along
And though I haven't done it for awhile,
I'd still make you nachos if you really wanted me to.
Maybe.
And now... a quote from Milton Berle (I don't know who he is either):
"If opportunity doesn't knock, build a door."
Love, your little sis

For Kedrick, Life is what YOU make it. You have worked hard so grab the gusto and go. Make smart choices, take risks and see the world. You deserve it. Congratulations.
Love, Robin



Paul Tedesco

Paul,
Your determination, strong spirit and hard work have all paid-off!! You have learned and matured so much since your "youngie" days at MMA. You've made us proud of you in so many ways. We'll always be your biggest fans, and we pray that you will be blessed with a wonderful future, excellent health, and smooth sailing ways.

We love you,
